PROFESSIONAL SUMMARY

I am an electrical engineer who happens to be better with computers than with wires. I have been working in the field since more than 2 years (a year in nodejs/react). I would like to get in a company where I will have more and more like minded and like technoligied people to work with.

SKILLS

- | | |
|---------------------------|-----------------------------|
| • Javascript / Typescript | • SQL / NoSQL |
| • NodeJS | • Windows / Linux |
| • React | • AWS / Firebase (Basics) |
